

Private Events at Alamo Drafthouse Cinema in Winchester, VA!

The Alamo Drafthouse Cinema is happy to host your private event!

We have hosted many events including, but not limited to birthday parties, corporate dinners, employee incentive movie nights, fundraisers, bridal showers, video game competitions, and even weddings!

We cater to your ideas for entertainment and menu options. We can incorporate themed menus, a buffet, or you may choose to have your appetizers handed to your guests by our staff for a more formal feel.

Our venue can fit any party from 2-155 guests. We can make an intimate setting for a public proposal with an on screen message created by you or invite all your family for a reunion with favorite foods and a Powerpoint with photos of your kin scrolling on the big screen!

So, whether it's a Bachelorette Party and you want to karaoke, or a guy's night out with sports on the big screen and beer from our Drafthouse, we can accommodate almost any rental idea.

Please Contact June Ngome at [jngome@nerangismgmt.com](mailto:jngome@nerangismgmt.com) for rental rates and availability.
